Young Artist Training Program - 2020 Performer Contract

To maintain a high quality of performance, safety, and professionalism, YATP requires students desiring to perform to attend all staging, tech and dress rehearsals as listed below.

Tentative Tech/Performance Days for 2020

April 14, 15, 16, 17, 18, 19, 20, 21, 22 Tech & Dress Rehearsals

April 23, 24, 25(Double show day)-Performance Days

These dates are the most important days to be present at YATP and should be the top priority for every student. *Typically*, tech rehearsals will be between the hours of 9:00 a.m. - 4:00 p.m. on Saturdays, 12:00 p.m. - 6:00 p.m. on Sundays, and 5:30 p.m. - 9:30 p.m. on weekdays for dates listed above. Performances are normally at 7:30 p.m. nightly, with matinee and evening performances at 2:30 p.m. & 7:30 p.m. on weekends and have one hour call times pre-show.

It should be the student's highest priority to attend each and every class and rehearsal for both themselves and for the other students who are depending on them. Any changes made to this schedule will be submitted to every student family in writing via weekly emails from faculty.

We understand that sometime unavoidable conflicts arise; primarily a serious illness of student or immediate family, or unavoidable school conflict. ***We will try our best to work around student's conflicts and realize talented students are in many activities. However, conflicts may not become a detriment to the other students in the group and/or the performance and will make casting decisions based on the best solution for the group as a whole.*

Requests to be excused must be submitted in writing as early as possible, but no later than four weeks prior to the date of conflict and are subject to director approval.

Students missing more than two of any regular class, or any single rehearsal from the above listed dates for a term, or whom fall behind in their class work with difficulty executing the material at the standard required (i.e. not performing required elements by deadlines), will be pulled from performance at the discretion of the faculty/production director.

YATP is not a "pay to play" program, but a select conservatory program with exemplary standards expected of every student. Students earn the honor to perform in a manner deemed appropriate by the faculty to challenge each student's abilities where they are in their personal training journey. Attendance, attitude, and work ethic both in class and at home all play a part in earning this opportunity.

To make sure this important policy is clear and understood, by both parents AND students, one copy is given to you and one copy should be signed and returned with enrollment applications.

I have read, understand, and agree to abide by the above policies.
